On Sunday, November 5th bells will be tolled for the following members who have passed away since last All Saints Sunday.

RED/GREEN MARKET FUNDRAISER

Saturday, November 18, 2017

We will be offering frozen foods again at the Red/Green Market on November 18th. In addition to the Chicken Spaghetti, Lasagna and Blue Ribbon Dinner Rolls—we are in the process of adding some new casseroles which will be sure to please. Members of the Chapel Committee will be in the Narthex each Sunday morning beginning on October 15th, with recipes, baking pans, labels and zip lock bags; and ask that you sign up to make one of these recipes. The freezers are in Barbara Trapp's garage which is open and once you have baked and frozen your dishes, you may bring them to her house at 3098 Wedgewood Circle at your convenience.

We appreciate the effort each of you has made to make this fundraiser a success each year. The community has come to rely on our participation at the Red/Green Market and they look for our booth to purchase quality casseroles for their holiday gatherings. The Chapel is in great need of some major structural repairs to the foundation and this fundraiser will allow us to move forward with these repairs. You may call Barbara Rogers at 396-1691 for additional information or to make a donation towards ingredients.
